Subject: REQUEST FOR TIMELY AVAILABILITY AND ALLOTMENT OF FUNDS FOR RELEASE OF PAYMENTS TO CONTRACTORS

Respected Sir,

1. It is respectfully submitted that members of the MES Builders Association of India across the country are facing considerable financial stress due to delays in receiving payments against the works executed by them, primarily on account of the non-availability or delayed allotment of funds.

2. Non-receipt of payments within the stipulated time is adversely affecting the contractors' ongoing projects as well as their future financial planning. When payments are delayed, contractors face serious difficulty in maintaining their project commitments, arranging working capital and making timely payments to labour, suppliers, dealers and other agencies associated with the works. This, in turn, disrupts the smooth progress of ongoing projects and creates avoidable financial pressure on the contractors.

3. The coming festive season further increases the financial obligations of contractors. During this period, timely payment of wages to labour, dues to suppliers and dealers, statutory liabilities and other essential commitments becomes particularly important. Contractors are also required to maintain their day-to-day financial commitments and ensure uninterrupted execution of the works. Similar financial difficulties are experienced by contractors every year during this period due to delays in the availability and release of funds.

4. In view of the above, it is earnestly requested that necessary advance planning may kindly be undertaken for the allotment and availability of funds, particularly for ongoing works, so that pending and current payments may be

Subject: REQUEST FOR TIMELY AVAILABILITY AND ALLOTMENT OF FUNDS FOR RELEASE OF PAYMENTS TO CONTRACTORS

Respected Sir,

1. It is respectfully submitted that members of the MES Builders Association of India across the country are facing considerable financial stress due to delays in receiving payments against the works executed by them, primarily on account of the non-availability or delayed allotment of funds.

2. Non-receipt of payments within the stipulated time is adversely affecting the contractors' ongoing projects as well as their future financial planning. When payments are delayed, contractors face serious difficulty in maintaining their project commitments, arranging working capital and making timely payments to labour, suppliers, dealers and other agencies associated with the works. This, in turn, disrupts the smooth progress of ongoing projects and creates avoidable financial pressure on the contractors.

3. The coming festive season further increases the financial obligations of contractors. During this period, timely payment of wages to labour, dues to suppliers and dealers, statutory liabilities and other essential commitments becomes particularly important. Contractors are also required to maintain their day-to-day financial commitments and ensure uninterrupted execution of the works. Similar financial difficulties are experienced by contractors every year during this period due to delays in the availability and release of funds.

4. In view of the above, it is earnestly requested that necessary advance planning may kindly be undertaken for the allotment and availability of funds, particularly for ongoing works, so that pending and current payments may be

Subject: REQUEST FOR TIMELY AVAILABILITY AND ALLOTMENT OF FUNDS FOR RELEASE OF PAYMENTS TO CONTRACTORS

Respected Sir,

1. It is respectfully submitted that members of the MES Builders Association of India across the country are facing considerable financial stress due to delays in receiving payments against the works executed by them, primarily on account of the non-availability or delayed allotment of funds.

2. Non-receipt of payments within the stipulated time is adversely affecting the contractors' ongoing projects as well as their future financial planning. When payments are delayed, contractors face serious difficulty in maintaining their project commitments, arranging working capital and making timely payments to labour, suppliers, dealers and other agencies associated with the works. This, in turn, disrupts the smooth progress of ongoing projects and creates avoidable financial pressure on the contractors.

3. The coming festive season further increases the financial obligations of contractors. During this period, timely payment of wages to labour, dues to suppliers and dealers, statutory liabilities and other essential commitments becomes particularly important. Contractors are also required to maintain their day-to-day financial commitments and ensure uninterrupted execution of the works. Similar financial difficulties are experienced by contractors every year during this period due to delays in the availability and release of funds.

4. In view of the above, it is earnestly requested that necessary advance planning may kindly be undertaken for the allotment and availability of funds, particularly for ongoing works, so that pending and current payments may be

released to contractors in a timely manner. Early provision and allotment of funds will enable contractors to meet their financial commitments, maintain the required cash flow and execute the projects smoothly without interruption.

5. It is, therefore, sincerely requested that the matter may kindly be accorded due consideration and suitable directions issued for advance planning and timely allotment of funds, so that contractors may receive their legitimate payments without undue delay.

Yours faithfully,
